

Due to covid-19, Bement Schools will adhere to the following guidelines for all home games this year. If guidelines are changed by IDPH we may alter our arrangements. We are committed to keeping our athletes, coaches and spectators safe so that we can continue to move forward through this pandemic. Your help will be required. Having spectators is optional, so we are going to do this on a trial basis to determine the remainder of our athletic contests and attendance at those contests.

Masks that cover your nose and mouth must be worn at all times upon entering the building and throughout the event until the spectators have exited the building. A refusal to wear the mask properly will result in removal from the contest.

Spectators in the bleachers will be socially distanced for everyone not living in the same household

Concession stands will not be available. Spectators may bring bottled water or soda with them. Trash containers will be provided to assist with the cleaning after the contests. Please dispose of your trash on your way out. Thank you.

Doors to enter the school will be opened at 5:30 PM for Bement home games.

Only spectators with a ticket may enter the gym. You must get a ticket from a team member to enter the gymnasium. No one will be allowed into the gym without a game day ticket. One spectator per ticket. The number of tickets for each player will be determined by the number of players on the teams. Tickets will be given to the players on the day of the game.

All spectators must be 30 feet away from the playing surface. This means that the only bleacher seats available will be located at the top of the bleachers. This will be clearly marked and the socially distanced seating arrangements will also be clearly marked.

If you are unable to attend any games they will be broadcast live on the NFHS Network. To view the games go to [nfhsnetwork.com](http://nfhsnetwork.com) and search for Bement. Any game we are involved in will appear on the front page. Click on the game you would like to view. There is a \$10.99 per month fee. Don't be confused that it says High School for a Middle School game. High School was the only option when setting up the schedule. Any questions may be directed to Andrew Brown or Steve Cline.

At this time all schools in our area are allowing a select number of home fans to attend games. Bement fans will not be allowed to attend the away games. Bus transportation will be provided to and from all away games. If any guidelines are changed to allow more fans or visiting team fans to attend games we will notify you immediately.
